Roundtable Minutes

Roundtable Meeting: Bethel Christian Center

Date: May 8th, 2006

Host Commander: Cmdr. Steve Slimm

Opening Prayer:

Cmdr. Mike Collazo

Devotional By: Sectional Commander Dan Ruggieri

Cmdr. Dan spoke on why boys want to go on Pow Wows and also gave a devotional that went along with our Pow Wow theme; Watch and Pray. (Mathew 26:41) Cmdr. Dan stated that the enemy would try anything to keep us from reaching boys for Jesus Christ. We need to know what is normal and what isn't and we need to be more careful. The enemy wants us to fight in the natural with everyone around us. But God wants us to forget all the junk that the enemy stirs up within us to get us riled up against other people. Instead, He wants us to fight against the spiritual enemies who try to go to war over our lives and steal our peace and joy.
